

SHS Cardinal Crew

Volunteer Form

We invite you to become actively involved in Sacred Heart School. Volunteers are an important part of the school and essential to its success. Your willingness to serve Sacred Heart is most appreciated. Our school is what it is because of the dedication, gifts, and talents of so many people over many years. The time, talents, and energy you share with us are truly an investment in your child's future and the future of Sacred Heart School.

Please check the areas in which you can help our school. Some areas require being physically present at school, while others are tasks you may be able to help with at home or on weekends. Grandparents are welcome! All parents/grandparents volunteering must have completed the Archdiocesan Safe Environment Program. These forms are available on Portals or through the school office.

Please return the form with your child. Once all forms are in, we will contact you. Thank you for all you do.

*God Bless,
Mrs. Laura DeLaneuville*
